There is pleasure and satisfaction that from this group of forty-eight graduates forty-three entered Tilton School or some other secondary school in September. This is a very much better record than was made the previous year.

Tilton School—Local Students Graduating

Twenty-five local students were in the graduating class at Tilton School last June. This is the largest number in any class of which I have the records. The following is the list:

Maurice E. Avery	Florence H. Moses
Edward W. Caveney	Mary E. Osgood
Pauline R. Crowe	Seth T. Prescott
Charles P. Daley	Natalie M. Sargent
John G. Daley	Carol B. Smith
Alice F. Demeritt	Carolyn C. Smith
Edward Durgin	Charles J. Smith, Jr.
Ruth E. Gale	Lloyd D. Smith
Beatrice C. Greenwood	Phyllis J. Smith
Anna M. Hussey	Luther H. Straw
Frank J. Kropp	Weldon D. Thompson
Omer J. Luneau	George A. Whitehouse
Frank J. Malone	

It is no uncommon thing for local students to be found among those ranking high in scholarship at Tilton School. Two local students, Maurice E. Avery and Mary E. Osgood, were the recipients at the last commencement exercises of the Baketel Medals. These medals are awarded to the students who obtain the highest rank during the four year course.

Teachers

Four of our teachers resigned in June. Home-making has a real lore for most of us and teachers are no exception. Miss Ellen Hobbs and Helen Gordon resigned for this reason. We wish them happiness. Mr. Milton C. Blanchard, who taught manual training last year, secured a more at-

tractive position in Needham, Massachusetts. Miss Elizabeth Moloney, teacher of sewing, is now teaching in her home town, Norwood, Massachusetts. Miss Louise Blanchard was transferred from the Annex to fill the vacancy in the first grade. Miss Margaret Rowden was transferred from the second grade to the sixth grade and Miss Alice L. Robertson, a graduate of Plymouth Normal with two years experience, was chosen for the second grade position. Miss Louise E. Sanborn of Laconia a graduate of the four year Home Economics course at Keene, was chosen as teacher of cooking and sewing, and Mr. John Conrad, a graduate of the four year course at Keene was chosen as teacher of manual training. Two afternoons each week Mr. Conrad teaches wood-working at Tilton School. Miss Irene Luneau was transferred to the Annex. Miss Mary E. Reardon, a graduate of the Concord Training School, was chosen as assistant in the lower grades.

School Nurse

We are all glad, and this includes the boys and girls, that Lurline H. McCook continues to be our school nurse. No one could be more faithful or more interested in the welfare of the children.

East Northfield

We are now transporting all the school children living in the East Northfield section to the Union school. This arrangement seemed the most satisfactory solution of the problem which was presented. A year ago last fall the parents of some of the seventh and eighth grade pupils of this district petitioned the school board to furnish transportation for their children to the Union school. The school board did not feel justified in doing this, but the parents and children were not altogether discouraged and they found ways in getting to and from the Union school, some of them walking long distances. Late in the spring a conference was held between the school board and the parents of all the school children in this district to consider the feasibility of closing the Rand school and transporting all the children to the village. The community was very well represented and the sentiment seemed strongly for closing. The school board did not reach a decision at that time, but late in the summer

decided upon transporting. This arrangement seems to be working out satisfactorily to all concerned. Although the expense is considerable, as two transportation routes are necessary, it is much less than would have been the cost of maintaining two schools in this section, which the increase in the number of the school children and their distribution in the district would have made necessary.

Improvements

The new school playground has been properly graded and a fence erected on the Park street side. The appearance of the playground has been greatly improved, and the whole area made usable. The work of grading was done by Carlo Bianchi & Company, contractors of the new cement road between Tilton and Laconia, who had at hand the equipment necessary for the grading. The fence was erected under the direction of the Northfield Selectmen and the town of Northfield assumed one-half the cost. The cost of grading was a little over \$3,000.00 and the school board is asking for a special appropriation to meet the deficit which this necessary expenditure has caused.

By removing a partition an excellent room has been made in the Eastman building for carrying on the work in cooking of the seventh and eighth grade girls. The kitchen is well equipped and the work is well organized by Miss Louise E. Sanborn, the teacher. The girls are enthusiastic and I believe this will prove a worthwhile addition to our course.

The No. Four school has been resingled and some necessary work done on the under-pinning of the Sanborn Road building. The interior of the No. Four building should be repainted this summer and there should be a rearrangement of the approach to the toilets.

Highlands or Tin Corner

The warrant calling the annual school meeting contains an article which, if favorably acted upon by the meeting, would give the school board authority to dispose of the Tin Corner building and lot. There seems little likelihood of this building ever again being used for school purposes.

Superintendent's excess salary	1,200.00	1,200.00
Per capita tax	1,218.00	1,176.00
Administration	500.00	500.00
Insurance	600.00	100.00
Total	\$45,733.00	\$46,766.00

The increase in the school budget is due to the increase in the number of local pupils at Tilton School which necessarily results in the larger expenditure for tuition.

Annual School Meeting

The annual school meeting will be held at 7:30, Friday evening, March 20, at the Union School Hall. The term of Mrs. Winnifred F. Walker as member of the school board expires at this time. The warrant calling the meeting will be found printed on another page.

I wish to thank all those who have helped to make this school year a successful one, and this surely includes the school board, the teachers and the boys and girls.

Respectfully submitted,

CHANNING T. SANBORN,
Superintendent of Schools.

A Child Health Conference for the pre-school children of Tilton and Northfield was held July 29th under the direction of Miss V. M. Jennings, Field Nurse of the State Board of Health, Division of Maternity, Infancy and Child Hygiene, in co-operation with the local Board of Health, and Woman's Club.

Drs. J. R. Perley of Laconia, F. A. Fowler, T. H. Huckins, and E. D. Lee of Tilton were the physicians who examined.

Seventy-one children were examined, twenty-six of whom had no physical defects. Eighty-seven defects were found in the remaining forty-five.

Sixteen were placed under treatment, and fifteen demonstrations were given.

Thirty-two defects had been corrected since the last Conference.
